Last month Dodworth St Johns school visited The Dil Raj Resturant, Dodworth as part of their school project on *"Cultures and Foods of The World"*.

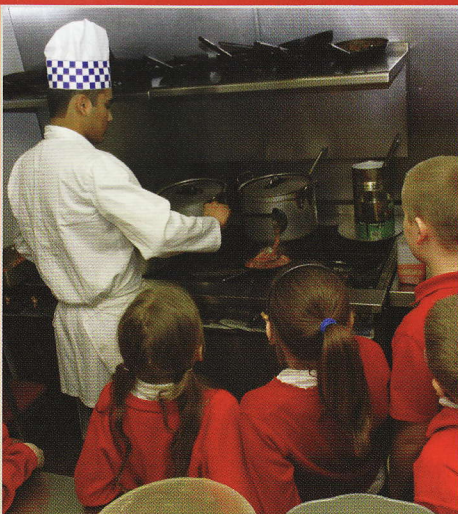

Joined by the Mayor and Lady Mayoress of Barnsley the children were shown how to prepare a traditional Indian Curry and how to make Onion Barjis by head chef Muttakin Rahman. They were also shown how to correctly lay a table by head waiter Raju Mia.

Different parts of India where the foods came from were shown to the children by the Dil Raj Owner on a map which gave them a great insight into the history and origins of Indian food.

At the end of their visit the kids were served up a delicious meal for them to enjoy.
